

Meeting and Program Sponsorship Form

As you know, successful mentoring and networking often occur outside the office. Becoming a program or meeting sponsor affords you the opportunity to get connected, stay connected and play an important role in the success of events and activities of The Westchester Women's Bar Association ("WWBA").

The benefits of being a sponsor are many: you will receive regular recognition in the "WWBA News", public recognition and complimentary admission for two at each sponsored program and/or the ability to make a short presentation at the sponsored meeting. In addition, you will be listed on our Website, with a direct link to your firm's/company's Website.

Your generosity as a sponsor helps the WWBA defray costs and keep prices affordable so that all members have the opportunity to enjoy and benefit from our activities. It also allows us to upgrade many of the services and amenities provided at our events. Supporting the WWBA at these meetings and programs maximizes your visibility within the legal community and enables us to continue to offer highly spirited, top notch events for participation by all.
